Prayer Requests

Please continue to pray for our health.

Please pray for safety on the road for the missionaries.

Please pray for safety in the print shop.

Please pray for Donna as she continues to take care of her 85 year old sister, Bernice, who lives with us. Her health is declining.

Please pray that God would give us wisdom in the days ahead.

The New Year is off to a good start

The press is scheduled to start up on 20,000 Burmese Bibles.

We have a request for 50,000 Polish New Testaments that are needed just as soon as we can print and ship them.

The Winter Olympics in South Korea is just around the corner. A container was loaded and shipped to Korea in December. Approximately 30 people are headed to S. Korea to distribute 150,000 John/Romans in 28 different languages. The Gospel will be handed out during the Olympics to people from almost every country around the world. Many will receive a portion of God's Word in their own language for the very first time. Please pray with us that thousands will come to know Christ as their Lord and Saviour.

PRAISE!

Praise God for all who gave a special offering to our family for Christmas. We love you in the Lord.

Praise God for the faithfulness of His people to support and pray for our family and ministry.

Praise God for the best year in 2017 that we have ever had. Our ministry printed over 12 million copies of God's Word and 22 containers were shipped to various countries for distribution.

Praise God for the new shop equipment He gave us in 2017. It helped to double our production.

NBPM 2018

The goal for National Bible Publishing Month 2018, which began on February 1st, is \$220,000. This is the amount necessary to print Scripture for the open doors that God has given us. We are asking Him to supply the funds through His people. No amount is too small.

Free material such as posters, lessons, and coin folders are available for a church on the internet at: www.bpsmilford.org.

Our daughter, Vickie Money, is a Secretary in the print shop. She will gladly assist you if you would like additional information (513-575-1706). She is a blessing.
