Tanzania.

Larry & Donna Stallings Prayer Letter

National Bible Publishing Month 2018

We are asking churches to partner with us for NBPM 2018. The countries of focus are Honduras, Japan, Myanmar, and Wales. All funds given will go to purchase paper. A roll of paper is \$650.00 and we will need to purchase 339 rolls. Free material for NBPM is available at www.bpsmilford.org.

Report from South Korean Winter Olympics

100,000 portions of Scripture were distributed during the two weeks of the Winter Games.

It is estimated that 75% to 80% of the South Koreans accepted the Scriptures.

Inside each portion of Scripture distributed was information about the local church that the team was working with. This church will do the follow up work.

Thanks to all of you who prayed and gave to make this possible.

from BPSM Seedline Missionary Bro. Dan Gill

The Need for the Word of God

Since 1973, Bearing Precious Seed of Milford has been given the privilege of sending printed Scriptures to over 120 countries.

We are never going to reach the world with just an oral witness.

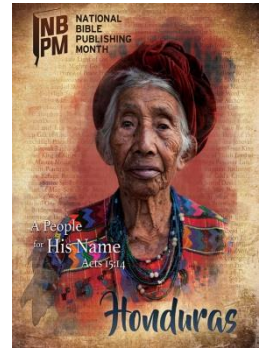

We must make Bible translation a priority if we are going to reach the world for Christ.

We are only reaching about one-third of the world's population.

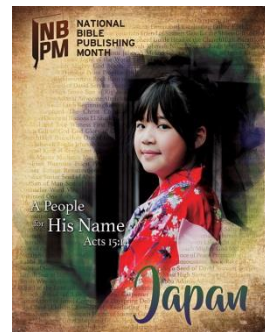

Please pray for the following Bible translators:

Bill & Marcy Patterson
Yura & Wendy Popchenko
Tom & Krinny Gaudet

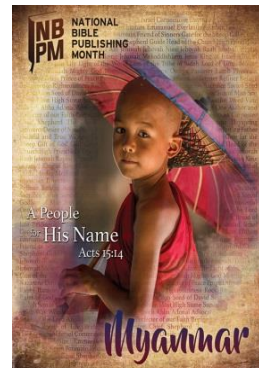

We must get God's Word into the hands of people around the world.

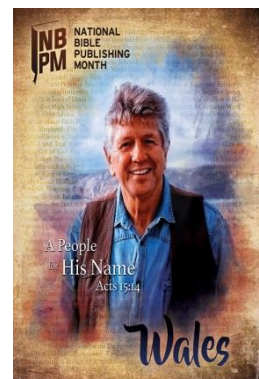

Honduras

Japan

Myanmar

Wales
