**Faith Theological College
Faculty & Administration Building
Is Completed**

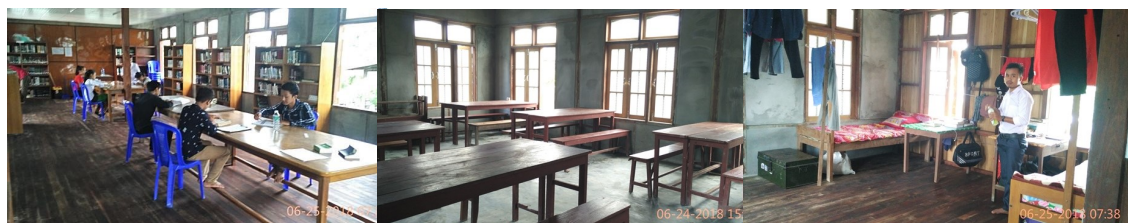

The Faculty & Administration Building has been completed just in time for the beginning of classes at Faith Theological College. This year 68 students are enrolled and the morale at the school is electric.

This building will become a focal point in the student experience at the school. FTC President, Za Biak Lian (Samuel) sent us this note with these photographs:

"On behalf of the FTC family, I would like to say thank you. Your love for this ministry and your help to provide a building that we desperately needed is very special to us. We know it is God working in and through you".

"Your help to FTC was vital. This building will be a place where many national youths (men and women) will be trained to serve God all their adult lives. Through them, the Gospel will be advanced into all parts of Myanmar".

Thank you for continued support. Thank you for being the Carpenter's friend. May God bless you.
