Print Shop Update

Our print shop has printed one million John/Romans in one week.

Three truckloads of paper were used for this project.

Once completed, this J/R's will be given to missionaries and churches around the globe for distribution to the lost.

Currently, our print shop is also binding 30,000 English Bibles, 5,000 Croation Bibles and 1,000 Portuguese Bibles. These military themed Bibles will be distributed to service members.

Requests for Scripture continue to come in.

What We Should Do With the Bible

1. Love It.
2. Prize It.
3. Study It.
4. Memorize It.
5. Obey It.
6. Trust It.
7. Declare It.
8. Mediate On It.

-Psalm 119

We are so thankful for the opportunity the Lord has given us to work together with you and Bearing Precious Seed these last 25 years.

A Philippine Thank You

One pastor wrote:

I thank God that He has supplied the need of the people here in the Philippines. We need Bibles here to be given to new converts for their growth spiritually. Thank you for being a channel of blessing to us. You have strengthened the work of the Lord here in our place.

PRAISE

We are so thankful for the Lord's protection. While on my way to church on Wednesday night, July 4th, I had an accident in my truck. The brakes failed, and I ran into our garage and knocked a post down. I did not get hurt but was sore for a couple of days. The damage did not look that bad on the surface but the frame is warped and the truck is not safe to drive. We received word yesterday that the truck is totaled and we are currently working with the Insurance Company. The garage has been repaired and is now in better and stronger condition than when it was built.

Prayer Requests

Please pray for safety and good health for our daughter, Vickie, and granddaughter, Rebekah, as they leave for a medical missions trip to Mongolia in August. Also, please pray for the additional funds needed to cover the cost.
