## November 2018 Prayer Letter

Dear praying friends,

We have had a wonderful last few weeks serving our Lord here in Argentina and we have seen Him work in some incredible ways.

During August and September, we ran an eight-week English course and the Lord has continued to use these classes to see souls saved. During the time of these classes, we met 3 young ladies who are studying English to help become flight attendants. These young ladies asked if there was a time when they could have extra tutoring in English and my wife volunteered to meet with them for one hour each Thursday before our midweek service. They started staying for the following service and began asking many of questions about the Bible and salvation. Last week, one of the young ladies named Karen accepted Christ as her Savior and we praise the Lord for this. Please be praying for Karen as she grows and takes the next steps in her new life in Christ. Also, please be praying for her sister to come know the Lord as her Savior as well.

On November 10 and 11, we had first ever missions conference at Iglesia Bautista Fe. It was a great time and we had quite the turn out. Bro. Jeff Bush was down for a visit and preached the conference. The church seemed to really enjoy it and we believe that their desire to get the Gospel to world is growing.

Over the last month, both Ashley and I have seen major improvements and growth in our language learning. Spanish is still difficult for us but each day we get stronger in our ability to speak. Would you please continue to pray for us as we continue to learn and practice Spanish.

### November Prayer Requests:

**Spanish Learning:** Ashley is currently without a Spanish teacher. Kari, who Ashley has been learning from for the last five months, was forced to quit due to major complications with her health. Please pray for the Lord to send us a new teacher for Ashley. Also, please be in prayer for Kari and her health.

**Iglesia Bautista Fe:** The church is growing and we currently looking for a new building to purchase. We have found a property that is for sale and would be the perfect place for the church. Please pray for wisdom as move forward on this property.

**Baptism Service:** On December 16, we will be having a baptism service. We have seen several people accept the Lord over the last few months and Lord willing, we could see as many 10 new Christians be baptized. With this, there will be many lost friends and family in attendance this day. Please pray for the service and Bro. Patrick as he preaches the gospel.

**Christmas Service:** On Sunday, December 23, we will be having a special Christmas service. We are praying and preparing for a large attendance for this service. Please be praying this way with us.

Thank you for prayers and support this month.

God bless,  
Jason, Ashley, Marley, Norah & Ian
