# Larry & Donna Stallings Prayer Letter

November – December, 2018

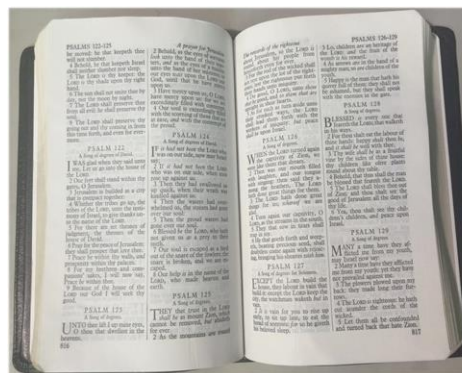

*Thank you!*

We are thankful for the pastors, churches, God's people, and praying friends that we have partnered with for the last 37 years.

We have worked in 23 different countries, with hundreds of national pastors, and have seen millions of Scriptures printed and distributed.

We are so very thankful that we could partner together. Only in Heaven will we know all that God has done. **To Him be the glory!**

## Blessed Promises from SCRIPTURE Books

Since 1993, we have printed and distributed over 300,000 of these Books.

Each Book has over 1,000 promises to the child of God. It has been a tremendous blessing to public school students in America and around the world.

20,000 have been sent to school students in Ghana, West Africa, 10,000 to the schools in the Philippines, and thousands have been given out to school students in America. God has used this Book greatly.

**It is a great tool!**
