Blessings of God

God has provided another new truck for our Seedline Ministry. There was a great need with our larger trailers and having constant and increasing maintenance costs. **To God be the Glory!**

A Seedline Ministry in CA is working on Korean J/R to send to South Korea.

We have been able to print in eight languages this year.

Please pray as we continue to look for paper at the best possible price. Without paper, there will be no printing. Without the printing there will be no Bibles available. There will be souls that will pay the eternal consequence of not receiving the message in time.

Family News

Donna and I will be celebrating our 56th wedding anniversary on May 25th.

Our granddaughter, Rebekah Money, will be graduating from High School on May 23rd. She has a desire to work in Medical Missions.

We are very thankful to you for your prayers and faithful support.
