Sowing Seed & Seeing Growth

March 2023

Uruguay: Trip Summary

Uruguay has the reputation of being Latin America's most secular country. Yet foreign missionaries and national pastors are faithfully serving and seeing the Lord do a work through their ministries.

Last month, Rodney ministered in Uruguayan churches and taught a course on Modern Religions in the Baptist Seminary of Colonia.

Above: Rodney and missionary Jonathan Rehfeldt speaking to the Bible students (left).

It was such a blessing to see the joy of these fellow believers and sense their desire to be used of the Lord to reach others with the Gospel.

This Bible school has the funds to purchase property with a structure that is adjacent to their present building. This will greatly expand their ability to grow. However, government red tape is preventing this purchase. Please pray that this will be resolved.

Ethiopia: Bible Training Center Update

The engineering documents have been submitted to the city of Dukem. Once approved construction will begin.

The Lord has been faithful to provide most of the funds needed for the building, but we still need \$25k plus additional money to help purchase desks, chairs, tables, bedding, etc. Please pray with us for the Lord's provision of these funds.

Now Under Construction!

Cement blocks are being prepared at three locations for new churches started by Timothy Project Pastors.

Toule, Ghana

Yabayo, Ivory Coast

Ravine Olyen, Haiti

Thank you for your gifts that will provide places of worship for these three congregations.

Myanmar: Discipleship Literature

One great need on the mission field is good discipleship materials.

Jeff Musgrave, the author of "The Exchange" literature and Gospel tracts has given us permission to translate his newest book, "Conversations with Jesus" into Falam Chin.

This project is complete and the book is being used by churches in western Myanmar as a guide for new converts coming from Buddhist and Animist beliefs. It is also being used in a Bible college (above).

Dr Musgrave's Gospel tract, "How Would You Describe Your Relationship with God?" is also available in Falam Chin and is in wide use among the Chin Baptists churches.

Thank you for your gifts that have made the translation and printing of this material possible.

Final Word

This month, John will visit southern India while Rodney will travel to northern India. We will minister in Bible colleges and churches, and visit Timothy Project missionaries. Please be in prayer for our travels.

Thank you for being the Carpenter's friend. May God bless you.
