Looking Forward to The New Year...

The New River Chapter is anticipating a new year of ministry and several new members added to our team! Please pray for longtime friend and volunteer, Denny Martin, as he takes on the carabiner ministry. Also be in prayer for his son, Nick, as he goes through the process of becoming staff to work alongside his dad and oversee fair ministry. Finally, please pray for Joseph Weller as he completes his training with CMI and anticipates taking a staff position within the new year. We are looking forward to the New Year and the ministry opportunities it brings!

Praising God for:

- Provision of potential staff and new committee members as well as faithful volunteers
- His sufficiency! God provides for our monthly needs as we continue to trust Him to keep our doors open!! Thanks to all of you who faithfully give to the New River Chapter.
- Unique ministry opportunities given to us through CEF and our daily interactions within our community. Thank you, Father, for carabiners, wordless books, shoeboxes filled with Christmas gifts, and community yard sales – all tools we can use to reach children and their families with the Gospel!

Trusting God for:

- Details in planning and preparing for our annual Valentine's fundraiser. If you would like to get involved with this community outreach, please contact our office!
- Wisdom as we seek to continue sharing the Gospel here in the New River area. Please pray for the future of GNC and potential locations.

"Remember ye not the former things, neither consider the things of old. Behold, I will do a new thing; now it shall spring forth; shall ye not know it? I will even make a way in the wilderness, and rivers in the desert."
