Uruguay Trip Report

Last month Rodney was in Uruguay visiting missionary Jonathan Rehfeldt. He was blessed to teach students and visiting pastors in the Baptist Seminary of Colonia.

It is always a joy to share the truths from God's Word to those who are hungry for a closer walk with the Lord.

He also was honored to preach the 26 year anniversary for Fundamental Baptist Church of Colonia started and pastored by Archie Perez. Precious souls trusted Christ that Sunday morning and in the afternoon a baptismal service was held for new converts.

What a thrill to see the Lord's blessings on this work as it stays faithful to proclaim God's Word in this needy country! This church has started several other churches in Uruguay.

Haiti: Creole New Testaments

Due to the political turmoil and the depressed economy in Haiti, Haitians have migrated to many different countries. As a rule they are very open to the Gospel.

Rodney is able to minister to them in the Creole language in both the Dominican Republic and Chile. Cathy regularly interprets for Haitians in Indianapolis and surrounding counties, opening the door to share the Gospel.

There is a great need for a printing of the Haitian New Testament with Psalms and Proverbs in the Creole language.

We estimate each Creole New Testament with a good bonded leather cover will cost \$10. We are praying that we can print at least 4,000 copies, but we will print as many copies as the Lord provides. Please pray with us concerning this need.

Berean Baptist Church in Opoto

Construction is well underway for the new church building. Built on a hillside, it will have two levels.

The work was recently started by a church planted in 2007 by Rodney and one of the men he trained in the Bible school.

We are grateful for those who gave for the construction of this new building.

Ethiopia: East Africa Baptist Mission

Construction on the EABM Bible Training Center is nearing completion. The interior finishing of the ground floor is 95% complete and the work has shifted to adding a second floor.

Below: The 20th Anniversary service of EABM was held in the dining area of the new training center.

Once the second floor exterior walls and gable roof are completed, the outside painting and landscaping is all that remains to be done.

This is a project in partnership with Berhanu Yoseph's sending church, Faith Baptist Church in Jefferson City TN. In July, John and members from Faith will attend the official dedication of the building.

Ghana: West Africa Baptist College

Renovations to the dormitories on the campus of West Africa Baptist College began in January. This is the first of many buildings to be upgraded that were originally built in the 1960s. Until now, little has been done to maintain them.

We are thankful for the generous support of a church who funded this project.

Final Word

Rodney will be in India this month. He will be in a few churches and also teaching in a Bible school on the subjects of Eschatology and the Book of Acts. Please pray for his travel and ministry.

Thank you for being the Carpenter's friend. May God bless you.
